Dear Ms Freudenstein-Hayes

RE: DAY STREET RESERVE LANDSCAPE IMPROVEMENTS

Council would like to produce an Improvements Plan for Day Street Reserve, Chatswood.

We have installed site signage at Day Street Reserve asking for users thoughts on the reserve and how they think it could be improved. We would also like the thoughts of the Chatswood West Ward Progress Association on how the reserve could be improved.

Please answer our quick online survey at www.haveyoursaywilloughby.com.au or by writing to Council with your comments addressed to Council's Open Space Projects Officer, Meredith Paterson via email to email@willoughby.nsw.gov.au **by 5pm Wednesday 17th October 2018.**

All comments received will contribute to the formation of a Draft Plan for the reserve.
Once prepared, all respondents will have an opportunity to comment on the Draft Plan.

Please contact Council on 9777 1000 if you have any questions about this project.

Yours sincerely

Julie Whitfield
